Contract RD-91, [REDACTED]

REF: Memorandum to Chief, Engineering Staff, OC, from Contracting Officer dated 22 September 1959, same subject

There is no evidence in OC-E files to indicate that the referenced L-band Feed Horn was returned to the [REDACTED]. However, our files did produce the material receipt form signed by a [REDACTED] representative. This receipt shows intended return of the item by March 1956. Two copies of the receipt are attached for your information, the original will be retained in the OC-E contract file. The estimated value of the L-band Feed Horn is \$50.00

August 19, 1959

Subject: Contract H-2061, Disposition of Government-  
Furnished Equipment

Gentlemen:

Please refer to our Inventory Schedule "B" dated 23 June 1958 wherein [redacted] has requested disposition instructions for one (1) Radar Pulse Generator RDJ-1.

25X1

This is to advise you that disposition instructions for this item were requested in error since the equipment in question has already been shipped to Alexandria, Virginia on our shipping No. GI-101699 dated 5 June 1958.

Item (2) of the above referenced Inventory Schedule "B" is an L - Band Feed Horn. In the case of this item, we also feel that the equipment has been previously shipped to you. Unfortunately, we cannot document such shipment and request, therefore, that you investigate whether you have any record of receiving this equipment. If it cannot be ascertained that [redacted] has shipped this item to you, adequate compensation will necessarily need to be discussed.

25X1

We shall sincerely appreciate your cooperation, particularly with respect to the L - Band Feed Horn, so that the subject contract may be finally closed.

Very truly yours,

ustrial Division

Supervisor, Army Sales
